1A5 (unlined books)	2
Book bag (Last year's one is fine)	1
LWB (handwriting book)	1
Large box of tissues	2

Please name all books before bringing to school

Container of emergency food

Please use an ice cream container (or similar) named and filled with non-perishable food your child would eat. This could be used in case of an emergency if your child had to stay at school for an extended period of time. The box might contain muesli bars, crackers, tinned food or anything else your child will eat. At the end of the year this container will be given back to you to use the food and replenish for the following year.
