Container of emergency food

Please use an ice cream container (or similar) named and filled with non-perishable food your child would eat. This will be used in case of an emergency if your child had to stay at school for an extended period of time. The box might contain muesli bars, crackers, tinned food or anything else your child will eat. At the end of the year this container will be given back to you to use the food and replenish for the following year.

See you on **Monday, 4 February 2019**
