

Travel Policy

Introduction

1. The Board agrees that it has a responsibility to ensure that travel expenditure incurred by the School must clearly be linked to the business of the School. The Board has agreed on the fundamental principles of this Policy, and has delegated responsibility for the implementation and monitoring of this Policy to the Principal.
2. This Policy must be read in conjunction with other Board Policies, and the exercising of all authority and responsibilities conferred under this Policy must be in accordance with the Schedule of Delegations and may not exceed an individual's established level of delegated authority.

Principles

3. The Board agrees to ensure that:
 - the travel expenditure is on the Board's business, and the School obtains an acceptable benefit from the travel when considered against the cost;
 - expenses are reimbursed on an actual and reasonable basis; and
 - staff that are required to travel on business do not suffer any negative financial effect.

Process for Making Travel Arrangements

4. Under no circumstances may any staff member approve their own travel.
5. All booking for international and domestic travel is to be conducted through the School's normal purchase procedures. This includes the booking of accommodation, flights and rental cars.

Travel within New Zealand

6. The justification for travel within New Zealand must be documented. It is to be transparent and must relate to a school need. Travel within New Zealand is to be authorised on a one-up basis (for example the Principal should authorise any travel by the Deputy Principal and the Board should authorise any travel by the Principal).
7. All domestic air travel is to be economy class.

International Travel

8. Prior to international travel being undertaken, the traveller must be given a copy of this policy and be required to sign it off to signify that they have read and understood it.
9. All international travel should be authorised by the Board before it is commenced. A proposal must be put to the Board detailing the purpose of the trip, the expected benefit to the Board which will arise from the trip and an estimate of the costs of the trip.
10. At the end of the trip overseas, the traveller must prepare a trip report, which details the costs incurred during the trip, activities which took place during the trip and the benefits to the Board and the School of the trip.
11. Except where the flight time exceeds 10 hours, all international air travel is to be economy class.
12. Business class travel may be approved, where the Board considers appropriate, for travel more than 10 continuous hours in duration.
13. If a staff member has a travel time without a stopover in excess of 20 hours, a rest period of 24 hours before commencing work is permitted.

Accommodation

14. Staff should opt for good but not superior accommodation and must be prepared to justify exceptions to this rule to the Board.
15. Staff who stay privately will be reimbursed on production of receipts, for koha or for the cost of a gift given to the people they have stayed with. Prior to travel the staff member should receive authorisation for the value of the intended koha/gift. (Refer to Gift Policy).

Vehicles

16. When using rental cars, staff should opt for good but not superior model vehicles and should be prepared to justify any exceptions to this rule to the Board.
 17. Use of private vehicles is to be approved on a one-up basis and reimbursement will be at the rate specified by the Inland Revenue Department.
 18. If taxis are used, then staff should pay for the taxis out of their own pocket, obtain a receipt and seek reimbursement through petty cash or as part of an expense claim.

Reimbursement of Expenses

19. The reimbursement for business related travel expenses is on the basis of actual and reasonable costs.
20. For travel within New Zealand, actual and reasonable expenses are those incurred above the normal day to day costs. For example, a staff member would normally incur personal expenditure for lunch on a daily basis and the cost of lunch when travelling should not be reimbursed unless the costs are greater than that normally incurred.
21. All personal expenditure is to be met by the staff member. Examples of this are mini bar purchases, in house movies, laundry and private phone call charges are to be paid separately by the travelling staff member.
22. All receipts must be retained and attached to the travel claim. The claim is to be authorised on a one-up basis.
23. For expenditure incurred in New Zealand of value greater than \$50 (including GST) there should also be a GST invoice to ensure that GST can be reclaimed by the School.
24. Authorisation can still be given for expenditure less than \$50 where there is no receipt, for example if it is not practical to obtain a receipt or if the receipt is lost. The expenditure can be reimbursed provided there is no doubt about its nature or the reasons for it.

Discretionary Travel Benefits

25. Purchasing choices are made based on what is best for the school and independent of any personal gains.
 26. Staff must travel by the most direct route unless scheduling dictates otherwise.
 27. The School will not meet expenses incurred on behalf of a spouse or travelling companion. In the event of a person travelling with an employee, a reconciliation of expenses should clearly demonstrate that the School did in no way incur additional expenditure.
