Dear Parents and Caregivers,

31 July 2019

Learning Conferences began yesterday and will continue next Tuesday. If your child is Year 4-8 please make sure you have your appointment booked. This is a great opportunity to check in with your child and their teacher on how they are going with their learning and what we are working on.

Learning Conferences follow reports that everyone in Year 4-8 would have received at the end of last term. As you know we have been working hard on ensuring our students are learners, that know how they learn. With this in mind, students have been much more involved in writing their reports, as they reflect on what they are doing well and what they need to work on.

I enjoyed reading each child's report about them and their learning, but the reports are actually for you! So we are really keen to know what you think of them. As you come

to learning conferences, there is an opportunity to leave your thoughts about reports in the reception area. Of course emails or conversations are welcome too. We would love to know what you think.

Whether or not you are on Facebook you can automatically receive text messages of what ever we post on facebook. This is a free and easy way for you to be fully aware of what is happening at school.

To receive these texts all you have to do is text 8987 with the message Follow stbsnaenae.

Attendance dues. If you are worried at all about paying attendance dues please make an appointment to come and see me at school or Barbara Rowley in the Parish. We can help!
