Dear Parents and Caregivers,

2 August, 2017

Tomorrow is our first day of Learning Conferences. Learning Conferences are an important opportunity for you and your child to talk with your child's teacher about how their learning is going this year. Please check the last pages of this newsletter to make sure you have an appointment.

School finishes at 12.30pm tomorrow and next Thursday. Please let us know if your child requires supervision until the usual time of 3pm.

Attendance and Lateness

School starts at 8.50am with prayers and setting up the day of learning. Children need to be here for that part of the day to make the most of their learning through the day. We have our biggest learning session in the morning because we know it is prime learning time. If your child comes half an hour late it is very possible that they have missed their reading group lesson for the day. Being punctual is also an important life skill and now is a great time for your children to be learning it.

Thank you to the families that support their children to be at school each day ready for learning on time.

Congratulations to these children who have never been late this year.

There are 14 students whose attendance we are very concerned about. They are receiving a letter today about their rate of attendance. If there is anything we can do to help you to support your child to attend school more consistently, I would love to meet with you.
