Dear Parents and Caregivers,

18 October 2017

Welcome back to term 4. This is a short term with lots on. So please make sure you check out the list of dates in this newsletter and maybe keep them on the fridge for you to refer to.

We started swimming yesterday with 100% of students swimming. Well done to everyone for the great effort in bringing togs and towel and being ready for this very important learning.

The drowning statistics in New Zealand are shameful and water is such a big part of our lifestyle. This learning could be truly life saving. Our philosophy is that if you are well enough for school you are well enough for swimming. This is part of

our learning and curriculum and **does not make you sick.**

We are grateful for the way you support your child to engage in this learning.
