Dear Parents and Caregivers,

28 February, 2018

In a couple of weeks we will have learning conferences. This is a really important time for you to spend with your child and their teacher talking about learning.

Your child's teacher wants to hear from you. No one knows your child better than you do and together we want to have a great year of learning. Please choose a day and time that would best suit you to come to a 20 minute appointment.

All of us are learning about how we are as learners using our High 5. It would be great for you to talk with your children about this and listen to their thinking about how they are going with being Curious, taking on a Challenge, have Courage, Communicating, being Creative and Reflective. These are big words with big concepts and it is great to see and hear students

using these concepts to push themselves in their learning.

Please use the next page to make a learning conference appointment.

Year 7 & 8 Parents and Caregivers - 2018 is not a camp year so instead we have a wonderful adventure day planned for Tuesday 20th March. Part of the adventure will be on the high ropes course at Adrenalin Forest. You will be hearing more about this soon. Right now you might want to be thinking about whether you'd like to come as an adult helper and join in on the adventure!
