Dear Parents and Caregivers,

5 September 2018

Education Review Office We welcomed the ERO team into our school on Monday with a Powhiri. Trustees, Teachers, and Students have all been talking with the reviewers to help them get a good sense of our school. All learners need feedback to improve and grow and this review has been a great opportunity for us to talk and listen and reflect and plan what is next

for us. We are always striving to be the best we can be and hearing from other people and experts is an important part of that learning.

Winter wellness It is now feeling like winter is getting worse and there seems to be a lot of illness around. There are some simple things we can do to really support the children to stay healthy and learning.

- Wash hands often - especially after going to the toilet, after blowing nose, before eating
- Get enough sleep. Early nights are important at this end of the term when we are all getting a bit tired and growly
- Bringing jerseys and jackets to school which allows the children to play outside in the fresh air

Thank you for all you do to support your children in their learning and thank you for letting us know when they are unwell and not able to come to school.

Jo Buckley
Principal

Room 1 have been writing about
'If they were the Prime Minister'

I am Rhema but you can call me
Jacinda. I work at the Beehive.
I say no more mean words.

I am Bakitta. If I was Prime
Minister I would help people have
homes. This is because people need
somewhere to sleep.

The last reading together session is next week,
Wednesday the 12th of September,
5 to 6pm or 6 to 7pm in the Staffroom.

Photos

The photos have been online and key codes
given to all students. If anyone needs help
ordering, you can contact Annette in the Office
or phone the photographers direct and toll free
on 0800 501 040. The online free delivery
finishes on the 9th of September.
