15 May 2020

Kia ora koutou,

We are excited and ready to welcome back all students on Monday morning. For school to work well in the new careful normal that is Level 2 there are a few things you need to know.

- If children are sick they need to stay home.
- School will start at the normal time of 8.50am. Children should arrive between 8.30 (when the doors will be unlocked) and 8.50.
- All children will sanitise their hands on arrival.
- All children need to enter their own class through their own class door.
- Parents, caregivers, friends and family will not be coming onto the school site. This means children will come through the school gate unaccompanied by adults.
- If you have a specific reason to come into school you must go to the office and sign in. No one is permitted beyond the office unless escorted by a member of staff.

All of these things will mean that we can focus on hygiene and contact registers as children and teachers get back to learning at school.

Everyone who comes on site **must** sign in so dropping off and picking up your children at your car will be much safer for everyone. Adults will also need to be conscious of not gathering at the school gates. It is an adult responsibility to keep up the physical distancing.

Thank you for your support in getting everyone back to school in our safer version of normal at Level 2.

Please get in touch if you have any questions or concerns.

Nga mihi,

Jo Buckley
